SOAP & SKINCARE

Olivos Olive Oil Soaps are the natural artisan products made for bath & body to soothe the body, mind, and soul. Not all of the olive oil soaps, even though they are claimed so, are made with natural olive oil. Manufacturing high quality and healthy olive oil soaps requires expertise as well as the use of high quality ingredients. Olivos Olive Oil Soaps are very exceptional products of which the olive oil used in production is a very special pure blend of Edremit Region. Olivos promotes a sustainable environment and high quality beauty & care by using hand-picked, natural and organic ingredients with beneficial results. We believe that all natural soaps should be beautiful, functional and elegant to use. All of our soaps have a natural caring and firming effect on the skin and designed to calm, purify, reinforce and enrich the skin & soul. In terms of the unique blend of extra virgin olive oil and essences, our brand is unique in the market. Olivos is proud to offer you elaborately handcrafted soaps.
